#### **Did You Know ... ? Gumbo is the Official Dish of Louisiana!**

The name gumbo comes from the West African word for okra, implying that gumbo was originally made with okra. Today's gumbo consists primarily of locally harvested meats or seafood simmered in a base of roux and spices. The addition of filé (dried, ground sassafras leaves) as a thickener and flavor enhancer was a contribution of the Choctaws and, possibly, other local tribes.

### Official Sandwich of Louisiana

In 1929 in New Orleans during a four-month strike against the streetcar company, brothers Benny and Clovis Martin, former streetcar conductors, fed their (penniless and hungry) former colleagues free sandwiches from their restaurant, always served on New Orleans French bread. Whenever a striker was spotted, a Martin's worker would shout, "Here comes another po' boy!" The nickname quickly became synonymous with Louisiana's favorite sandwich, the ever-popular po-boy.
