## GUMBEAUX

GUMBO

### Did You Know ... ? Gumbo is the Official Dish of Louisiana!

The name gumbo comes from the West African word for okra, implying that gumbo was originally made with okra. Today's gumbo consists primarily of locally harvested meats or seafood simmered in a base of roux and spices. The addition of filé (dried, ground sassafras leaves) as a thickener and flavor enhancer was a contribution of the Choctaws and, possibly, other local tribes.
